## DELTA

This distinctive collection of decorative weaves features ikat influences, striking geometric designs and chunky stitch detail. The rich palette of seven colours highlighted by intense contrasts, create a variety of moods.

From vibrant spice and raspberry to laid-back charcoal and smoke, the five stunning designs combine harmoniously with options for soft furnishings and drapery.

## OCTAVIA

Full of character and dazzling colour contrasts, these contemporary prints work in both traditional and modern settings. Octavia is an intricate floral design, whilst Terrazzo, Cassandra and Luella bring flowing geometrics and multi-colour stripes to the collection.

Available in six colourways, these 100% cotton fabrics combine beautifully to create eye-catching schemes.

Drape: Valdez Denim Chair: Moreno Denim Drum: Glacier Denim.

## PATAGONIA

Luxurious upholstery weaves with intricate textures and lustrous highlights. Glacier is a bold herringbone weave, whilst Moreno and Valdez subtly emphasise colour contrasts and iridescent yarns.

From muted linen and olive to rich damson and ruby, the choice of eleven colourways make this collection supremely versatile.

## ORGANICS

Rippling marble effects, foliage designs and mineral colours bring the beauty of nature indoors. Intriguing bark textures and cross-sections of trees and organic patterns make these decorative weaves truly unique.

Available in seven tranquil colours, the five designs are suitable for curtains, roman blinds and cushions.
